PRP A04 Chapter-Nov 20 clean draft.docx

Jennifer – here's the Nutrients PRP chapter that incorporates Sue's comments/edits which were incorporated into a version of the draft from Santana. If you're ok with this draft can you send to Mike to get his review – we're primarily asking for Mike's ok to send this out to Annex Co-Leads as an example chapter. You / Carla can also share this draft with Sue so that she's aware of the status of the draft.

I spoke to Jamie and he/Chris will be sending this to Susan Hedman for her review.
